

Reasons to Subscribe to Local Market Monitor:

1

The only reliable multi-year forecast of home prices and rents. And we show the past accuracy of our forecasts for each local market.

2

The only reliable identification of boom and bust markets. Our accuracy over the past 30 years is 100 percent.

3

Large coverage. 320 metropolitan areas and 3000 counties.

4

Metro Market reports specifically designed to help investors make and monitor investments in rental properties. For 200 metro markets.

5

The only forecast of new construction needed in local markets.

6

Free access to all our data. Just ask.

7

Questions (general or very specific) welcomed and answered promptly.

8

Reports and analysis written in plain English, with plain reasoning.

Contact us at Info@LocalMarketMonitor.com for 30 days free access to our Investor Metro Monitor Reports.
